Product Information

Race Sport Lighting inspires you to be more creative, more unique, and ultimately allows you to customize your vehicle just the way you want it. These flexible neon kits utilize a thin E.L. wire. Electroluminescent wire emits a spectacular 360° uniform light throughout its entire wire length. This wire can be easily bent, curved, or cut allowing you to place unique illumination in every crevice of your vehicle. E.L. wire is non-toxic, cold to the touch, durable, and resistant to water and dust. Available in 1M (3ft) and 3M (9ft) lengths, in eight different vibrant colors, these kits are sure to satisfy your thirst for creativity. • 1 Year Warranty
