Product Information

Race Sport Lighting’s Drive Series LED headlight kit pounds the competition with over 2,600 LUX of light output per bulb and a sub 3 Amp current draw. The Drive Series goes the extra mile with more LED’s for better headlamp projection and an overall better beam pattern with a brighter more controlled light output. This kit also offers a wide input voltage range for a variety of vehicles and aluminum thermal core to maintain cooler operating temperatures. The Drive Series is also more compact for a better fit in most applications and includes a canbus decoder for use on todays most complicated vehicles. Kit Features: • 2-3 times further vision than standard halogen bulbs • Instant on technology provides full power light immediately • 18 separate LED’s on single beam bases & 12 separate LED’s on dual beam bases • 2 Year Warranty Kit Specifications: • 2,600 Peak LUX Per Bulb. • 6,000 Kelvin • 140° beam angle • 33W operating power • Voltage range: 9V-32V • 2.7A
