Product Information

Revolutionize your driving experience with the C5M5050G Green 5M / 16 ft of 5050 Tape Strip Light, a high-performance lighting solution designed to bring a touch of sophistication and vibrant ambiance to your vehicle. Featuring an impressive 300 LEDs per reel, this tape strip light delivers a powerful and even green illumination, allowing you to personalize your ride with a dynamic burst of color and style. Crafted with precision and utilizing state-of-the-art 5050 LED technology, the C5M5050G ensures a brilliant and consistent green glow throughout its 16-foot length. The lush green hue not only adds a visually striking element to your vehicle but also creates a unique and attention-grabbing presence on the road.
