Product Information

The TERMINATOR™ LED Kit is world famous for its superior performance when compared to other LED lights on the marketplace. We use an incredible high performing reflector to focus the light and keep the light forward where it needs to be. This kit boasts just over 2,000LUX per bulb / 4,000LUX per kit in our lab, making it the perfect high output bulb for any vehicle type. Its shallow mount fan-less design keep the bulb from overheating and delivering consistent performance day after day. • See 2-3 times further than stock lighting systems, increasing stopping distance by 200% • LED technology provides instant on/off light with no ramp-up time • Fanless heat-sink technology • Low mounting depth base design • LED lasts longer than your OEM lighting systems • Focus cup design for narrow projection beam - no glare • Plug-n-play design for easy installation (additional interface harnesses may be required for some vehicles) • 2 Year Warranty • Rated 2,000 LUX/bulb or 4,
