Product Information

The JJKS1K Stage 1 RoadRunner External LED Lighting Combo Package fits 2007-2017 Jeep Wrangler JK models and is the perfect solution to quickly upgrade any JEEP from stock OEM halogen to premium LED performance lighting and add all the style you need. The bundle kit includes the 5 major external lights that every Jeeper changes out right away. Check out these amazing upgrade features below for each major component in the kit: LED Headlights and Foglight Combo Kit - The kit is the perfect combo kit to quickly upgrade your Jeeps Headlights and Foglights. This headlight system has two functions for both on-road driving style and performance, and for off-road show. The main functions is the high performance driving opticals that give you higher power LED output to driver safer at night than halogen bulbs and are recessed into engineered optical projectors to make sure the light beam is perfect going down the road. The secondary features is the RGB Halos that default to White DRL driving!
