Product Information

Introducing our 30-inch Mid-Size White and Amber Strobing Wig Wag Mini Strobe Bar - the ultimate solution for enhancing visibility and safety on your personal or commercial work trucks. Engineered with precision and equipped with cutting-edge technology, this 264-LED Dula Level mini strobe bar is designed to bolt to headache racks, ensuring a secure and streamlined fit on your fleet. This amazing intelligent Low Profile strobe bar has a day/night sensor to automatically lower brightness levels at night so its not glaring into traffic, and shifts to full brightness in the daytime when glare is not an issue. Dynamic Strobing Brilliance: Illuminate the road with dynamic brilliance as the Tri-Color strobing lights grab attention and make your work truck unmistakably visible. The wig wag pattern adds a touch of sophistication while maximizing visibility, making it an ideal choice for work environments where safety is paramount. Multi-Function Dynamic Intelligent Control Box: Take contro
