Product Information

Upgrade your boat with the Marine Sport 3-LED RGB multi-color underwater wake light for a vibrant aquatic Array in your wake! The Marine 3-LED RGB multi-color underwater wake light is the perfect accessory for any boat. This light is designed to be mounted underwater, and features three high-quality LED bulbs that can be set to produce a wide range of vibrant colors. With the ability to change colors and create unique light shows, this light is sure to make your boat stand out on the water. One of the standout features of the Marine 3-LED RGB multi-color underwater wake light is its durability. Made from high-quality materials, this light is built to withstand the harsh marine environment and provide reliable performance. Whether you're cruising on a calm lake or braving rough ocean waves, you can trust that this light will continue to provide a stunning Array. The light comes with everything you need to get it up and running, including a mounting bracket and easy-to-follow instruct
