Product Information

Introducing the 6-LED Solar Powered Wireless Top Mount Dock Lights with Clear - Cool White LED! These lights are the perfect solution for illuminating your dock at night. They are powered by solar energy, so you don't have to worry about wiring or electricity costs. The clear-cool white LED lights provide a bright, even light that will make your dock safer and more inviting. The top mount design makes them easy to install and the wireless feature means you can place them wherever you need them. These lights are also built to last, with durable construction and weather-resistant materials. Whether you're looking to enhance the look of your dock or simply make it safer to navigate at night, these solar powered lights are an excellent choice. Upgrade your dock lighting today with the 6-LED Solar Powered Wireless Top Mount Dock Lights with Clear - Cool White LED! * Convenient and easy, great for use at dock * Weatherproof and shock resistant construction * Solar powered, solar panel direc
