Product Information

Heavy duty, multi-purpose interface harness for our HID or LED kits • On vehicles with daytime running lights, this harness will retain the daytime running light function • On vehicles with 6-11V, the trigger input on this harness will handle the lower voltage and keep the relay open • On vehicles with pulsed voltage instead of a steady voltage, the trigger input on this harness will handle the pulsed voltage and keep the relay open Note: When installing this harness be aware of the polarity, make sure 12C+ and Ground on the vehicles light plug matches up with 12V+ and Ground on the trigger plug on our harness. FAILURE TO DO SO WILL IMPAIR CORRECT OPERATION & MAY DAMAGE THE HARNESS. • 1 Year Warranty
