Product Information

Introducing the RS-08-DJUMP Diesel Jump Start and Auxiliary Charger Kit - the ultimate power solution for diesel vehicles! Designed with reliability and versatility in mind, this kit is a must-have for every diesel owner. Whether you find yourself stranded on the road or need a quick charge for your devices, the RS-08-DJUMP has got you covered. With its powerful jump-start capability, this kit ensures that you never get stuck with a dead battery again. Its advanced technology delivers an instant boost of power, allowing you to start your diesel vehicle effortlessly. Say goodbye to the stress and frustration of waiting for roadside assistance or relying on other drivers for help. But that's not all - the RS-08-DJUMP is also equipped with an auxiliary charger, making it a handy companion for your electronic devices. Simply connect your smartphone, tablet, or other USB-powered gadgets to the charger, and enjoy fast and efficient charging on the go. No more worrying about low battery
