Product Information

Race Sport's LED full-size warning roof beacon light bars are a great way to upgrade your emergency vehicle light set-up. This light bar is exactly what you need to gain the attention of everyone on the road. An aluminum, high-grade casing protects this light bar from weather and makes it ideal for use in any weather. This light bar is a whopping 5 foot 3 inches to make sure it is seen near and far. Thirty flash patterns and flash pattern memory are also pre-programmed into the unit, which allows you to be ready for anything when you install this LED light bar on the roof of your fleet vehicle or POV. • Draws 8 amps • Aluminum housing • Uses 12 volt power • Your choice of LED colors • Digital Control Box included • Expected to last about 30,000 hours • Universal gutter brackets included with purchase • 1 Year Warranty
