

SKU # RS-3A-SUPPLY

Part # 1003633

Description

110V In/12V Out/ 3 Amp Power Supply with 3 Prong USA Grounded Power Cord included

Categories 110-Volt, Power Supplies - Converters

Sub-Categories 110V/12V AC/DC Power Supplies

UPC 811712020657 Unit of Measure EA

Harmonization Code 8512.20.2080 Universal YES Life Expectancy

SEMA Product Power Supply Module Part Type ID 13581

Reverse Polarity Power Supply Module Operating Voltage 110VAC to 12VDC Current Draw

Wattage Chip Type N/A IP Rating LUX N/A

Kelvin (ColorTemperature) N/A Universal or Vehicle Specific Universal

Made In CN Warranty 1 year Lumens N/A Beam Pattern N/A

Product Information

Introducing the RS-3A-SUPPLY, your go-to solution for seamless and reliable power conversion. This advanced power supply unit seamlessly transforms 110V AC input into a stable 12V DC output, offering a versatile and efficient power source for a myriad of electronic applications. With a compact design and a 3A power output, this power supply is engineered to meet the diverse needs of hobbyists, DIY enthusiasts, and professionals alike.

Efficient Power Conversion: The RS-3A-SUPPLY boasts a seamless conversion process, effortlessly turning standard 110V AC power into a steady 12V DC output. This efficiency ensures a reliable and consistent power source for your electronic devices and projects.

Compact and Space-Saving Design: Designed with space constraints in mind, the RS-3A-SUPPLY features a compact form factor, making it an ideal choice for setups where space is at a premium. Its sleek and unobtrusive design allows for easy integration into various environments.
