Product Information

The RS-4L-3X316W 3x3 Inch Cube Spot Light is an exceptional high power lighting solution that delivers unparalleled performance and quality. This powerful cube spot beam light is engineered to deliver focused and bright illumination, making it perfect for use in a wide range of 12-Volt applications where work lighting is required. In addition to its impressive lighting performance, the RS-4L-3X316W 3x3 Inch Cube Spot Light is also incredibly durable. Constructed with a rugged aluminum housing and a shatter-resistant polycarbonate lens, this spotlight is built to withstand the harshest environments and toughest conditions. With its IP67 rating, the RS-4L-3X316W 3x3 Inch Cube Spot Light is waterproof and dustproof, making it an ideal lighting solution for off-road and work applications that require reliable and long-lasting lighting. Whether you're illuminating a construction site, the trails, or a dark road with no street lights in the wilderness, this spotlight is designed to deliver
