Product Information

Introducing the RS-5050-5MR 16ft (5M) 5050 LED Strip in a mesmerizing Red hue—an exceptional tape strip that redefines your vehicle's visual appeal and transforms it into a beacon of style on the road. With an extended length of 16 feet (5 meters) and a powerful array of 5050 LEDs, this tape strip is more than just an accessory; it's a dynamic lighting system that allows you to express your individuality and turn heads with its radiant red illumination. At the core of this lighting marvel are the advanced 5050 LED diodes, meticulously designed to provide a brilliant and consistent red glow. The richness of the color is both invigorating and attention-grabbing, creating a stunning visual effect that sets your vehicle apart with an unmistakable aura of sophistication. 16ft (5M) 5050 LED Strip (Red) - Tape Strip Reel Custom Lighting System
