Product Information

Step into a world of vibrant possibilities with the RS-9FT-5050-RGB 9ft (3M) 20-Color RGB Multi-Color 5050 LED Strip designed for your vehicle. This isn't just a lighting accessory; it's a customizable masterpiece that elevates your driving experience to new heights. With a versatile 9-foot length and a spectrum of 20 vivid colors, this LED strip is your ticket to transforming your vehicle into a dynamic canvas of light and color. At its core are advanced 5050 LED diodes that deliver a powerful and consistent glow. The RGB (Red, Green, Blue) technology allows you to create an immersive atmosphere inside and around your vehicle, setting the mood for every drive with precision and style. The 9-foot length ensures ample coverage, allowing you to accentuate both the interior and exterior features of your vehicle. Super bright, universal lighting solution for your home, office, business, or any other application • 120° viewing angle, perfect for any area • Able to be cut at 3 LED int
