Product Information

Introducing our cutting-edge 4-LED IP68 Surface Mount Strobe Head – the ultimate solution for all your signaling and warning needs. This compact and powerful device packs a punch, making it perfect for a wide range of applications. Whether you're in the construction industry, emergency services, marine, or simply need to enhance your vehicle's visibility, this strobe head is your go-to choice. Key Features: Four Ultra-Bright LEDs: Our strobe head is equipped with four high-intensity LEDs that emit an incredibly bright and attention-grabbing light. Day or night, you can trust these LEDs to be visible in all conditions. 2IP68 Rated: This strobe head is built to withstand the harshest environments. With an IP68 rating, it's dust-tight and fully submersible, ensuring it performs flawlessly even in extreme weather conditions. Versatile Mounting: The surface mount design is easy to install and versatile for a variety of applications. Multiple Flash Patterns: Customize your warning sign
