Product Information

Introducing the RS-CAMO-120W 22in CAMO Series High Performance LED Light Bar—a compact powerhouse that redefines visibility for your vehicle. While supplies last, this is your exclusive opportunity to equip your vehicle with a high-performance accessory that combines power, durability, and a distinctive camouflage-inspired design. At the heart of the RS-CAMO-120W is advanced High Performance LED technology, delivering an impressive 120 watts of power and an extraordinary output of 7,800 lumens. Despite its compact size, this light bar packs a punch, ensuring that your path is brilliantly lit and enhancing your visibility on the road or off the beaten path. An expansion on our street series line, these camouflage style LED light bars use their camo coating to easily blend in with nature. Perfect for hunting trips or for off road vehicles. • 120W/7,800 LM (3W per diode) • Spot Style Optics • 9.5 Amps • 50,000 hour life span • 12-24v voltage range • Color Temperature: 6500
