Product Information

Introducing the RS-CAMO-180W 32in CAMO Series High Performance LED Light Bar—a formidable lighting solution that marries power, durability, and a rugged design. This isn't just a light bar; it's an off-road companion designed to conquer the darkest trails and illuminate your vehicle with distinction. While supplies last, seize the opportunity to equip your vehicle with this high-performance accessory that combines superior illumination, durability, and a unique camouflage-inspired style. At the core of the RS-CAMO-180W is advanced High Performance LED technology, delivering an impressive 180 watts of power and an extraordinary output of 10,700 lumens. This powerhouse of illumination ensures that your path is brilliantly lit, transforming night drives into exhilarating adventures and providing unmatched clarity for a safer and more enjoyable driving experience. An expansion on our street series line, these camouflage style LED light bars use their camo coating to easily blend in with
