Product Information

Introducing the RS-CAMO-36W 8in CAMO Series High Performance LED Light Bar—a compact powerhouse that redefines visibility for your vehicle. This isn't just a light bar; it's a rugged and versatile lighting solution designed for those who demand exceptional illumination in a sleek and camo-inspired design. While supplies last, seize the opportunity to equip your vehicle with this high-performance accessory that combines power, durability, and distinctive style. At the heart of the RS-CAMO-36W is advanced High Performance LED technology, delivering an impressive 36 watts of power and an extraordinary output of 2,340 lumens. Despite its compact size, this light bar packs a punch, ensuring that your path is brilliantly lit and enhancing your visibility on the road or off the beaten path. An expansion on our street series line, these camouflage style LED light bars use their camo coating to easily blend in with nature. Perfect for hunting trips or for off road vehicles. • 36W/2,340 LM
