Product Information

Introducing the RS-PFLASH Hook & Magnet Mount LED Utility Flashlight - your ultimate utility work flashlight for all your lighting needs! With its innovative design and versatile features, this high performance flashlight is here to illuminate your world like never before. Illuminate with Precision: Equipped with ultra-bright LED technology, the RS-PFLASH delivers unparalleled brightness, ensuring you never miss a detail in low-light environments. Whether you're exploring the outdoors, working on DIY projects, or navigating during emergencies, this flashlight's powerful beam guarantees optimal visibility. Two Mounting Marvels: Say goodbye to the limitations of traditional flashlights! The RS-PFLASH comes with both a convenient hook and a strong magnet mount. Hang it effortlessly in your tent, garage, or workshop using the hook, or securely attach it to metal surfaces with the magnet - providing hands-free lighting exactly where you need it.
