**Product Information**

Introducing the White-Amber Strobe Pro Series Ultra-Thin Marker Strobes, the pinnacle of cutting-edge automotive lighting technology. Designed with meticulous attention to detail, these marker strobes are a fusion of functionality, style, and innovation, guaranteed to elevate your vehicle's appearance and safety to a whole new level. Crafted with an ultra-thin profile, these marker strobes seamlessly integrate into any vehicle's design, adding a touch of modern elegance to your ride. The stylish clear lens face not only enhances the aesthetics but also ensures maximum light output, optimizing visibility in any weather condition for a safer driving experience. What sets the White-Amber Strobe Pro Series apart is its groundbreaking self-strobing pattern settings. With a simple configuration, you can customize the strobe patterns to suit your preferences and driving needs. Whether you want a subtle, eye-catching strobe effect or a more assertive, attention-grabbing display, the possibil
