Product Information

Introducing the RS3030RGBJL, the ultimate lighting upgrade for your 2018+ Jeep JL! Elevate your driving experience with these cutting-edge 4-inch fog lights that seamlessly blend style, functionality, and innovation. Designed to fit the Jeep JL with precision, these fog lights boast a sleek blacked-out aesthetic that adds a touch of sophistication to your vehicle. Equipped with state-of-the-art Bluetooth RGB HALO control, the RS3030RGBJL allows you to customize your fog light halo colors with a simple tap on your smartphone. Whether you prefer a vibrant spectrum of colors or a subtle glow, the power is in your hands. Stand out on the road and make a statement with dynamic lighting that matches your mood and style. The 30-watt illumination power ensures optimal visibility in various driving conditions, enhancing safety without compromising on aesthetics. The DRL White HALO function not only adds a distinctive daytime running light feature but also increases visibility, making your Jeep
