Product Information

Introducing the RS3X3HALO, the ultimate dual-function 3x3 cube style Hi Power LED spot light that revolutionizes your lighting experience. Designed for versatility and functionality, this innovative light combines powerful illumination with amber marker and turn signal light capabilities, providing a comprehensive lighting solution for a wide range of applications. At the heart of the RS3X3HALO is its cutting-edge Hi Power LED technology. With a superior lighting output, this cube-style spot light delivers exceptional brightness, ensuring clear visibility even in the most challenging conditions. Whether you're exploring off-road trails, navigating dark roads, or working in low-light environments, the RS3X3HALO guarantees outstanding performance, enhancing safety and visibility like never before. One of the standout features of the RS3X3HALO is its dual-functionality. In addition to its powerful spot light function, it also serves as an amber marker and turn signal light. This versati
