

## SKU # RS40TEMPLB

**Part # 1007572**

### Description

40in RoadRunner SAE Compliant 210-watt LED Single Row Stealth Light Bar with MELT Temp Control System and screw-less frame construction

### Product Information

Introducing the Race Sport Lighting RoadRunner SAE Compliant Single Row Stealth Light Bar - the pinnacle of lighting technology, engineered for the most demanding on-road automotive enthusiasts and off-road adventurers. With cutting-edge features like the MELT Temp Control System and screw-less frame construction, this light bar redefines excellence in illumination and durability. Illuminate the Road with Confidence: Our RoadRunner light bar is the embodiment of innovation and performance, meticulously designed to provide exceptional brightness and endurance. Whether you're conquering rugged trails or enhancing your vehicle's aesthetics, this light bar is your ultimate companion. MELT Temp Control System: Race Sport Lighting leads the industry in safety and performance with the revolutionary MELT Temp Control System. This advanced technology ensures that your light bar operates optimally, even under extreme conditions. Its advanced technology heats the lens cover and melts off snow
