**Product Information**

The Marine Sport Lighting Marine Series cubes feature a WHITE coated shell and use the same design as the popular Race Sport Lighting Street Series Cubes. The 3x3 cubes pack a powerful light output that gives users the sight they need to maneuver in the waters. There are 4-LEDs with 16-Watts total per cube of light output exceeding over 1300+ lumens. Easy mounting for docking and spreader light functionality. This product comes with an optional amber Anti-Fog cover that you can clip on if it gets too foggy and cut right through.
