Product Information

Introducing the RS7X6SH4LED-W 7x6-inch Diamond Cut H4 Conversion Lens with Recessed LED Halo—a sophisticated lighting upgrade that seamlessly blends classic design with contemporary technology, redefining the aesthetics and performance of your vehicle's headlights. At the core of this conversion lens is the advanced H4 technology, offering a powerful and efficient lighting solution that elevates your visibility on the road. The H4 design ensures versatility and energy efficiency, providing a superior illumination experience for safer driving in diverse conditions. Race Sport Lighting offers this simple sealed conversion lens as a direct replacement for 7x6" H4 lenses. Great for an upgrade to a classic car! Features:

- Replaces H6054 headlamps
- Recessed half-halo LEDs for an elegant look
- Perfect for replacing low output simple halogen sealed beams with a more versatile lens
- Fits H4 HID, LED, or Halogen Bulbs
- Sold Individually
- 1 Year Warranty
