**Product Information**

Introducing the RSBTRGBL2 Race Sport ColorSMART RGB LED Underbody Kit—a revolutionary lighting experience that redefines the way you showcase your vehicle. Maximize the style of your vehicle with this highly durable and functional LED underbody kits in the ColorSMART family. This amazing kit allows DIY customer to install with a cigarette lighter, or professional installers to use the 12 volt wiring option to hardwire into the accessory circuit of the vehicle. And then control it with our versatile RGB universal APP that can be connected with our other RGB devices like interior kits, grill kits, and more. Features:

- Create a styling and luxurious look under any car
- Bluetooth Smart Phone Controlled App
- Flexible and Durable Construction for the bottom of vehicles
- Creates RGB Multi-color glow underneath any vehicle
- Uses 5050 LED Technology for longer and brighter life span
