**Product Information**

Revolutionize your vehicle's appearance and safety with Race Sport Lighting's RGBW ColorSMART Bluetooth Controlled Single Row LED Wheel Light Kits. These cutting-edge wheel lights take automotive customization to a whole new level, seamlessly blending style and functionality. Boasting a spectrum of RGBW colors, these LEDs are a canvas for your creativity. Customize your vehicle's look with an endless array of color options and dynamic lighting effects, all at your fingertips via the intuitive Bluetooth control app. Whether you're cruising the city or stealing the show at a car meet, make a bold statement with your wheel lights. But it's not all about looks; these lights come with advanced turn signal and brake functions. Enhance safety on the road by using your wheel lights as turn indicators and brake lights, ensuring that your intentions are unmistakably clear to other drivers. Elevate your visibility and reduce the risk of accidents. For added convenience, the ColorSMART app lets
