Product Information

2018+ JEEP Wrangler JL Fender Maker LED Light with Amber LED and light smoked cover Increased Visibility. These LED Fender Marker Lights with Smoked lenses let your Wrangler be immediately visible any time of the day. Aside from adding a safety feature, these lights look amazing on your vehicle as well. High-Output Lights. Featuring high output amber LEDs, these lights guarantee that your Wrangler will be easily seen. These will light up your vehicle even in the worst low-light conditions, letting other drivers easily see you. Premium Quality Build. These lights have smoked lenses for a sleek look when not in use while still providing optimal clarity. On the other hand, the high-quality ABS plastic construction is designed to withstand the elements and will ensure these lights provide long-lasting service. Fuss-Free Installation. Installing these lights is easy: simply take out the stock lights, hook up the wiring of these lights, and drop them into the mounting locations. This is
