Product Information

Introducing the RSMKIT ColorADAPT Adaptive RGB LED Weatherproof Motorcycle Kit—an unparalleled lighting solution meticulously designed to bring a new dimension of style and safety to your motorcycle. This comprehensive kit is engineered to withstand the rigors of the road, offering a perfect fusion of cutting-edge technology, durability, and customizable illumination for riders who demand the best. Crafted with the motorcycle enthusiast in mind, the RSMKIT ColorADAPT features ten weatherproof LED strips that seamlessly integrate into your bike's design. At the heart of the ColorADAPT system is its adaptive RGB LED technology, providing riders with the ability to personalize their motorcycle's lighting display like never before. Features:

- Combines micro-LEDs of all colors into one refined wide-angle light, giving you a stronger, more vibrant light with more color options.
- Made to fit any make and model, and able to be put in the tightest spaces.
- From sport bikes and cru
