Product Information

Introducing the RSRUSBB LED Rocker Switch 2-Port USB Charge by Race Sport Lighting – a versatile and stylish solution that seamlessly combines modern illumination with convenient USB charging capabilities. Elevate your vehicle's interior with this innovative rocker switch, designed to enhance both form and function. Race Sport Lighting's rocker style 2-Port USB charge panel with a water resistant rubber cover works great as a replacement or extra 12V DC USB chargers in cars, motorhomes, or any other application. This USB panel easily installs in industry standard panel cutouts with the included rubber gasket. Features: • Input Voltage: DC12V-24V • USB Power Output: DC5V @ 3.1A • CE/RoHS Compliant • 2 - 1/4in male contact terminals • 1 Year Warranty
