**Product Information**

Race Sport® Lighting's LoPro™ family of low profile, high intensity, dual function LED products deliver the increased safety your lifestyle demands without forfeiting luxury. And the newest addition to the LoPro™ family is no different. Introducing the LoPro™ Dual Function LED Running Board Light kit for your jeep, truck, or suv. The RSSBKIT48 and RSSBKIT60 fulfills the call for safety and luxury with its striking big-rig style amber running light function. The Sequential Turn Signal function engages powerful amber LED's to let other drivers know what's coming. So, you can be seen and be safe. The courtesy light feature illuminates the ground around your vehicle with powerful white light to help really you make an entrance. Yet there is no need to pick one function over the other, these versatile kits can be customized to your style. The LoPro™ dual function running board kits are available in two versions. The RSSBKIT48 with its (2) 48" flexible strips or t
