Product Information

Welcome the PNP Series OEM sized LED replacement bulbs to the family! These 3030 technology interior/exterior LED bulbs are capable of far more light output than previous version, and flaunt an environmental blockade with their corrosion covers, which means amazing durability and longevity out of your bulbs in the sockets in any extreme environmental factor mother nature can hand out. These OEM sized bulbs are designed to fit in the same locations as the halogens they replaced and have a low profile attractive look. Main Features of the PNP Series LED lamps as below: \* The smallest size as 1:1 size of Halogen bulb; customized 3030SMD chip. \* Led chips are covered by transparent lens cap,with EU production technology standard. \* Light emitting distance as 1:1 same as Halogen bulb's. \* Adopt National standard 6063 aluminum profile CNC,the surface is brightly plated. \* Transparent lens cap 125OZ,V2 level flame retardant , temperature resistance above 120° , 87% light transmittance. \*
