Product Information Race Sport Lighting's 5 Function LED Tailgate Bars add style, quality, and safety to your truck. The light bar sits at the base of your tailgate door without inhibiting the open-close functionality of your tailgate on most models. The 5 illumination functions include: Brake, Marker, Reverse, left Signal, right signal Our LED Tailgate Bars are available in 60in and 48in to fit your bed end to end. The RSTG60 is 60in in length. Our solid aluminum and polymer construction, and our state of the art components including 60 high end SM LED's, all backed by our manufacturer's Warranty, ensure you get the best quality for the truck you love. The bar is equipped with a 36in lead cable and our flat trailer hitch wiring connector, as well as high quality 3M automotive adhesive for a fast, secure mounting without any drilling required. If you don't have a hitch, color-coded instructions will help you through the entire process! Race Sport Lighting's LED Tailgate Bars are the perfect mix
