Product Information

Display your Race Sport Lighting lineup with pride! Retractable Banner Stands are ideal for in-store marketing and work fantastic in retail environments. The retractable banner automatically rolls into the base to ensure a portable and lightweight display solution. The roll up display system is ready to go almost immediately - just raise the support pole and pull out the banner. The retractable function of the banner print also protects the graphics during transportation and storage. These banners are lightweight while still communicating to your customer that you are a Race Sport Lighting authorized dealer. · Hardware Size: 34.5"W x 84"H x 15"D · Hardware Material: Aluminum · Banner Size: 32.5"W x 80"H · Full color single-sided imprint · Simple double-footed base design · Canvas carrying case included · Shock cord pole for quick assembly · Banner attached with snap rail on top and banner tape on bottom
