Product Information

The S2JLK Stage 2 Trail Runner External LED Lighting Combo Package fits 2018+ Jeep Wrangler JL models and is the perfect solution to quickly upgrade any JEEP JL from stock OEM halogen to premium LED performance lighting and add all the style you need. The bundle kit includes the 8 major external lights that every Jeeper changes out right away. Check out these amazing upgrade features below for each major component in the kit: 9-Inch LED X-HALO Headlights - These headlights are the perfect high performance to quickly upgrade your Jeeps headlight system. This amazing headlight kit gives you the light output you need on and off the road, but also features a DRL X-Style light for unique safety features. You will never see another headlight system like it. Fog Lights - What would high performance headlights be without equally performing fog lights in the lower valance of the Jeep. The main function is the high performance vertical opticals that give you higher power LED output to driver
