**Product Information**

Blue-White Switchback High Lumen Output 316L Stainless Steel 48-Diode LED Underwater Boat Transom Light Marine Sport Lighting. This amazing new High Lumen Output Transom Underwater marine light can be switched to change your wake from Blue to White and back to Blue. Customize your wake and light up the waters behind your boat with this unique solution from Marine Sport Lighting. The transom puck is ultra thin and extremely heavy duty construction. White LED gives you the highest LUX output, but the Blue LED gives you the a luxurious array of the blue waters. You get to choose.
