Product Information

The Race Sport Lighting 4S Series LED kit is the hidden gem of their professional line up to the marketplace. This kit has everything you need all in on kit. The durable COB style high power diodes, ultra cooling mini turbo fan, aluminum heat sink, and other slim line features make this the perfect kit to upgrade your boring halogen lights today. The 4S light kit will give you 2-3 times the down road viewing distance, and increase your stopping distance up to 200-300%, making night time driving safer for you and your passengers.

Super bright design with 360° full angle illumination  
 Beam Angle: 360° for greater visibility  
 Prevents LED Damage from Voltage Variations & Spikes  
 Smart Efficient Cooling System, Built-In Cooling Fan  
 High-quality Aluminum heat dissipation ensures the secure temperature range  
 Lower Power Consumption than Halogen bulb, Energy Saving  
 Low Voltage Protection, High Precision Constant Current
