Product Information

Race Sport Lighting's True 360 series LED headlight kits offer up to 4,000 lumens of light output, casting light in all directions at a strong 40W of power from its 4 COB style LEDs, which are radially mounted around the bulbs core. With the included blue and yellow sleeves, this kit offers more color variety than your typical LED kit, with a close to OEM 5,500K, a golden 3,000K and an elegant blue 8,000K, making it perfect for any application.

- High transmittance Quartz glass tube around the beam
- 4 piece High Quality COB LEDs Around the Beam
