Product Information

These amazing new TRIO-GOLD series LED headlights are revolutionary to the marketplace and have the unique ability to switch from 3K to 5K to 6K in the click of a switch. Using your OEM switches and handle levers, you can trigger a switch of Kelvin colors desired for the best performance of sight. Imagine driving down a dark clear road at night and you use the 5K pure white for the best light output to see down the road or trail. Then you come to a low valley and it is extremely foggy and hard to see, you can power on/off and instantly you have 3K gold lighting to cut through the fog and give you optimal visibility.

Quick specs include:

- 2,200-4,000 LUX (8,000 Lumens per set)
- 56-Watts
- Switchback Quick Pulse Technology
- 3 Kelvin options on Single Beam and 2 Kelvin Options on Dual Beam
- Micro-fitment design for versatile installation
- 1-year warranty
- 3K Fog cutting technology

Other Features:

- Color temperature: 3000k, 5000k, 6000k

Part Type ID	12571	Est. Labor	
Gross Weight	1.000	Width	8.250
Net Weight	1.000	Height	2.500
DIM Weight	1.187	Depth	8.000
