Product Information

This six LED strobe light is ideal for warning, municipal, and safety applications. This unit utilizes six high intensity LEDs with an optical lens. These low-profile surface mount strobes are resistant to collision and dust, and are splash-proof. They feature nineteen adjustable, alternating, and synchronized flash patterns, low power consumption, and a quick start-up time.

- Color: Black Housing w/ clear lens
- Voltage: 12V-24V
- Current: 333 mA
- Wattage: 18W (3W per LED)

\*Please note, when installing these units, they should be mounted to a flat surface to prevent damage due to over-tightening on an uneven surface

- 1 Year Warranty
