Product Information

Does your shop service vehicles? Want to keep your customers and employees safe from the spread of germs and viruses? This is the perfect cost efficient 3-in-1 product for you to use on every vehicle that comes in and out. Advertise to your customer that you care for them and their vehicle and are keeping them safe with use of this protection kit. Leave the kit on the entire period of service, and then remove when handing the keys back to your customer and show them they have been protected and all main areas of their vehicle have been covered.

For just a few dollars, you can bring piece of mind to every customer that you service their car, and protect you employees at the same time.
