Product Information

Race Sport Lighting's Teleglow TV back lighting kit brings a total range of colors to your space for maximum impact. Teleglow is not just for aesthetics, the Teleglow kit actually improves your TV watching experience. The additional illumination prevents eye strain and forces your TV to be the center of attention making your TV appear to have richer and more vivid colors. Our Teleglow lighting kit allows you to easily add LED accent lighting for decoration and fun; jazz up your entertainment room, game room or living room!. Our unique pod style RGB lights require no additional fitting, elbow or connectors and simply snip off what you don't need. Simple self-adhesive pods adhere to the back of the TV or wall, the pods also have mounting tabs for more advance mounting options. We offer Two size lengths 9ft for 32-55" and 15ft for 56-80" that will cover the back of the TV completely - not just a section. The result is an even background lighting all around the TV with no dark spots for a professional look. This kit is complete with everything you will need all in one box. Our pods are bonded with ultra-high adhesive tape, guaranteed to stay in place and not to come loose. Also the include wireless RF Remote Control allows you to change the color to match your mood anywhere. Please choose the right kit for the size of your TV.
