Product Information

This Forklift Safety Light helps alert others to approaching forklifts and other industrial vehicles by projecting a focused blue beam about 15 feet ahead of or behind the forklift (depending on the mounting location). This spot light is critical to reducing the potential for harmful or even fatal workplace accidents.

- Mounts to front, back, or both ends of a vehicle
- Two long lasting LED lights with powerful focused spot
- Multi-voltage capable from 12V-48V. Uses vehicle power to operate. Light activates anytime forklift is turned on
- 1 Year Warranty
